

Turlock Multibenefit Land Repurposing Program

Join us at the upcoming Stakeholder Advisory Committee Meeting

The East Turlock Subbasin Groundwater Sustainability Agency is dedicated to the sustainable management of groundwater resources in the Turlock Subbasin.

Where?

Cortez Hall 12937 Cortez Ave, Turlock, CA 95380

When?

**Tuesday March 24th, 2026
5:00pm - 7:00 pm**

Why?

Provide your input on the proposed MLRP projects

Join the Turlock Multibenefit Land Repurposing Program (MLRP) Stakeholder Advisory Committee and MLRP Team for dinner, refreshments and to discuss the proposed MLRP projects.

What to Expect at the Meeting

Eligible Project Types May Include:

- **Groundwater** recharge projects
- **Habitat** restoration or conservation projects
- **Agricultural** land repurposing for sustainability
- **Community-based land** management initiatives
